Navis Capital Partners

PRESS RELEASE

Navis promotes Alisa Virojpokakul to Partner

Thursday, 8 October 2026: We are delighted to announce the promotion of **Alisa Virojpokakul** to **Partner** in our Bangkok office.

Since joining our Bangkok office in 2016, Alisa has exemplified exceptional technical and commercial judgement, first-class execution, integrity and a genuine commitment to seeing those around her succeed. Her clear, balanced communication and the respect she shows to everyone she works with have earned her the trust of management teams, investors, advisers and colleagues alike.

Alisa has played a key role across our portfolio and works effectively across markets. She has made significant contributions to dzcards Group, Srithai Food Group, Moneythor and other portfolio investments over the years. She is also a trusted first point of contact for our portfolio company leaders.

Beyond her deal work, she has represented Navis through the Global Private Capital Association ("GPCA") DEI and Singapore Venture & Private Capital Association ("SVCA") 2X initiatives and is a committed mentor to our next generation of professionals. Known for her rigour, initiative and collaborative spirit, Alisa represents the future of leadership at Navis, alongside a growing group of next-generation Partners.

Please join us in congratulating Alisa on her well-deserved promotion.

About Navis Capital Partners

Founded in 1998, Navis manages approximately US$ 5 billion in private equity and private credit capital and focuses on investments primarily in Southeast Asia and its adjacent economies. Navis contributes both capital and management expertise to well-positioned companies with the objective of directing strategic, operational and financial improvements. Navis has one of the largest private equity professional teams in Asia, comprising more than 100 staff in seven offices across the region. Since inception, Navis has completed more than 90 control transactions, of which over 60 have been exited, and consistent with Navis investment strategy, the majority of these exits have been to trade buyers.
